a Festival of Lights

Diwali is the festival of lights and is celebrated with great zeal by all Indians all over the world. It is a festival of joy, splendor, brightness and happiness. It is one of the most important and vibrant of the Indian festivals. At the metaphysical level, Diwali is a festival signifying the victory of good over evil. Celebrations take place everywhere in India. At dusk, when darkness unfolds, you can see a spectacular illumination of tiny flickering lamps adorning homes, buildings and streets. All this illumination and fireworks, joy and festivity, is to signify the victory of divine forces over those of wickedness.

Our events for the night include

Bollywood Fusion Dances
Classical & Folk Dances
Fashion Show
Skits

In addition, we will also be serving a wide range of delectable Indian cuisine and appetizers.

We cordially invite you to grace the occasion with your presence.
